October 01, 2024

New Book "Good Grief, Great Grace" Chronicles a Mother's Journey of Healing After Unimaginable Loss

"Good Grief, Great Grace," the deeply moving memoir by Roschelle Ogbuji, is set to release this fall, offering an intimate look into a mother's heart-wrenching journey through grief, resilience, and ultimately, grace. This powerful book tells the true story of Roschelle's life following the devastating loss of her three daughters in a tragic house fire in Shaker Heights, Ohio.

On December 1, 2007, Roschelle and her husband's lives were forever altered when an undiagnosed electrical issue sparked a fire that quickly engulfed their home. Despite the brave efforts of two babysitters to save the children, six-year-old Imosa, two-year-old Chika, and one-year-old Anya were all lost to the flames. Anya initially survived the fire but later succumbed to her injuries, leaving Roschelle grappling with a grief that few can imagine.

"Good Grief, Great Grace" details not only the tragic events of that fateful night but also Roschelle's extraordinary journey to find purpose and peace in the aftermath of such profound loss. In the midst of her grief, Roschelle made the courageous decision to donate Anya's organs, bringing hope and life to others, even as she mourned the loss of her own.

Through the pages of this memoir, readers will experience Roschelle's raw and honest reflections on her grief, the dissolution of her marriage, and the loss of her mother. Yet, despite the overwhelming pain, Roschelle's story is one of resilience and unwavering faith. Her journey is a testament to the power of grace, even in the face of the most unimaginable hardships.

"Good Grief, Great Grace" will be available in bookstores and online retailers starting 12/01/2024. For more information about the book or to schedule an interview with Roschelle Ogbuji, please contact R.E. Woods at media@RoschelleOgbuji.com.
